

**BOYS & GIRLS CLUB  
OF BUENA PARK**

**SPONSORED BY**

1. Fly paper airplane 3 times, marking where it lands each time. After all 3 marks are recorded, keep where the furthest flight was.
2. Make your own paper airplane however you like and repeat step 1 with your new airplane.
3. Whichever airplane gets the furthest wins!

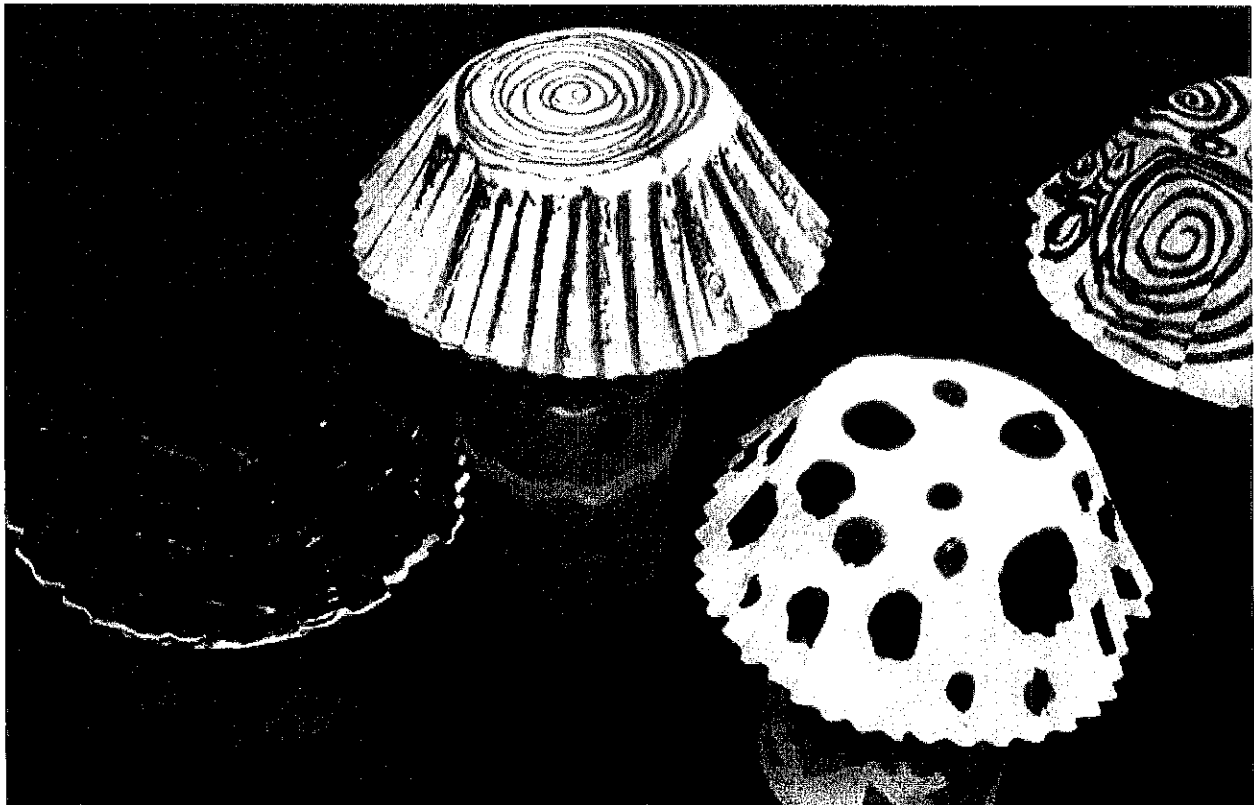

## Paper mushroom experiment

### Materials:

- Empty toilet paper roll
- Coffee filter or if you don't have a coffee filter cupcake liner
- Paper bowl
- Markers and colors if you want to decorate it

### Instructions:

1. Decorate your empty toilet paper roll and your coffee filter or cupcake liner
2. After your done decorating put the cupcake liner or coffee filter or whatever materials you used for the top of the mushroom
3. Then get your toilet paper roll and the glue and just put the mushroom on the top
4. When you are done take a picture and send it to us @theclubbgbcp! If you have any questions look at the picture

## Decorate an egg even though its not easter

### Materials:

- Egg
- Paint
- Paintbrush

### Instructions:

- 1) Get an egg from your refrigerator
- 2) Take your paintbrush and dip it in the paint and decorate it
- 3) Please be careful not to drop the egg b because we don't want to cause a mess
